IEEE pimrc'18

29TH IEEE INTERNATIONAL SYMPOSIUM ON PERSONAL, INDOOR AND MOBILE RADIO COMMUNICATIONS
9-12 SEPTEMBER, BOLOGNA, ITALY

Call for Special Sessions

Proposals for Special Sessions are invited in the following Tracks:

Track 1: Fundamentals and PHY
Track 2: MAC and Cross-Layer Design
Track 3: Mobile and Wireless Networks
Track 4: Services, Applications, and Business

Special Sessions may include an invited speaker, besides papers to be selected according to an open call.

Accepted Special Sessions will be publicised through the conference website.

Papers submitted to Special Sessions will be reviewed by at least three reviewers under the coordination of the Special Sessions organisers and Co-Chairs. These papers will be part of the Conference Proceedings and will be uploaded to IEEE Xplore.

Special Sessions extend for a conference time-slot, i.e., approximately 1h30. Special Sessions will be held in parallel with regular sessions on Sept. 10-12.

One of the Special Session organisers can take advantage of a Full Registration under discount code 003. All other participants to the special session (e.g. invited speaker, presenters, etc.) need to register and pay the registration fee.

Submission Guidelines

The proposal should be submitted by the deadline, to the Special Sessions Co-Chairs, via email: special_sessions@ieee-pimrc.org. Proposals should be submitted via a specific template, available at the website http://pimrc2018.ieee-pimrc.org.

Key Dates

Workshops proposal:	March 2, 2018
Workshops notification:	March 23, 2018
Paper submission:	April 27, 2018
Acceptance notification:	June 8, 2018
Final paper due:	June 29, 2018
